Iron Bridge Recovery Alumni Ambassadors!

Our Iron Bridge Recovery Alumni Ambassadors recently got together for lunch, fellowship, and to receive their new Ambassador T-shirts! It was a great opportunity to connect, celebrate recovery, and recognize the important role they play in our alumni community.

Our Alumni Ambassadors make a tremendous difference by:

- Sharing a message of hope and recovery.
- Facilitating alumni support groups.
- Assisting with projects throughout the facility.
- Returning to the facility to interact with current clients and help encourage them through difficult times.
- Meeting monthly to plan exciting alumni events and activities.
- Spreading the message of recovery and encouraging others to begin their recovery journey at Iron Bridge Recovery Center. *Continue on pg. 2*

Our Ambassadors are living examples that recovery is possible! Their willingness to give back, share their experiences, and support others makes a lasting impact on those beginning their own recovery journey.

Interested in becoming an Iron Bridge Recovery Alumni Ambassador?
We would love to have you! To qualify, you must:

- Have at least one year of sobriety.
- Be an active member of the Iron Bridge Recovery Alumni Program.

Together, we can continue spreading hope, building connections, and showing others that a life in recovery is possible!

Once part of the Iron Bridge family, always part of the Iron Bridge family!

Alumni Coin Ceremony- Oct 2026
